Dear Prairie River Partners,

Thank you for reaching youth with us at Prairie River Camp!! We just finished High School Winter Camp and although there was no snow this year we had an absolutely great time!

Our speaker was wonderful and our worship was a great time. The focus of this Camp was discipleship and growth in the kids in their walk with Jesus. We are blessed with such a great facility! Broom ball was amazing on the river, we laughed so much as we were slipping and sliding on the very thick ice.

Lives of High School students were impacted for Gods kingdom. In fact many of them want to come back to serve for the Middle School Camp in February.

We have Middle School Winter camp coming on **February 21, 22 and 23**. We start late Friday afternoon and end on Sunday morning at 11am. We have another great speaker and wonderful worship lined up! Please pray for this event. Pray that the Holy Spirit will draw the youth God wants to be there. Pray for safety and lives to be changed.

Reaching youth,

Thank you to our nurse, all staff and volunteers!

Laser tag is a fun, safe, versatile activity using infrared beams. It takes teamwork, strategy and technology. Youth love this indoor or outdoor activity.
